Dear Sir,
Greeting from TMSS. Thengamara Mohila Sabuj Sangha (TMSS) is a leading female headed non-government organization in Bangladesh and South Asia, helping women, children and people in need. It was founded and established in 1964 and has grown to over 35,000 employees and over 1.5 million active members, we are currently helping people in need with micro-finance with over 5067 crore Taka. We have 41 educational institution as like University, Medical College, Engineering College, Agricultural College, Nursing Institute etc. and many other Social Activities.

We are very impressed with this initiative knowing that children are the most vulnerable age group of people when it comes to the issue of mental-health and knowing that there is a dedicated project which aims at ensuring exactly this, we are excited to help. Md. Zahadur Rahman, Director, TMSS will be focal person of this project.

TMSS will provide and help connect Project Rummana with the facilities as required in North Bengal and help connect Schools/College/University with Project Rummana for a smooth communication, facilities management and logistics purpose.

We hope and pray for the success of Project Rummana.

Best regards,
